Evolving a green life

AB Gardenia, located off the NH7, near the Kempegowda International Airport, is a sprawling residential layout of 15 acres, with 153 plots of varying dimensions. Eminent neighbours like the Hollywood Town, Swiss Town and Jade Garden add an elite appeal.

AB Gardenia is an epitome of smart planning, wonderful amenities and perfect execution. For those who value the magnificence of nature and the wonderful gifts it bestows on us, AB Gardenia is a green haven !! Once you are inside the layout, you are in your own tranquil world far from the noise and pollution of the city.

Comegift yourself a fulfilling life !!

The futuristic city

The enviable location of AB Gardenia, close to Devanahalli makes it an uncompromising layout to live in. Given that Devanahalli has emerged as the epicentre of growth in North Bangalore, there is excellent road connectivity and immense infrastructure boom in the vicinity. The zone has attracted major SEZs, hardware parks, top MNCs, high end retail and international brands. Reputed international schools and colleges are also nearby. The proposed Devanahalli Business Park, International Technology Investment Region (ITIR) and a host of other developments have made this region one of the most sought after locations for residential development.

Central greens
surrounded by
luxury residences

Your children can enjoy life's pleasures without a care and you can breathe in clean, crisp air as you take a walk or jog amidst lush green trees at AB Gardenia, which is also dotted with 6 beautifully landscaped parks.

Beautiful tree lined boulevards.

One address, many choices.

Artistic rendering of a Day Entrance view

A range of
facilities in lush
green settings.

Modern conveniences are a plenty. One can access all the facilities and amenities available and experience a feeling of luxury in this impeccably planned development.

Calm, senior citizens zone.

First time in Bangalore !!
Unique trees for each
individual road & park.

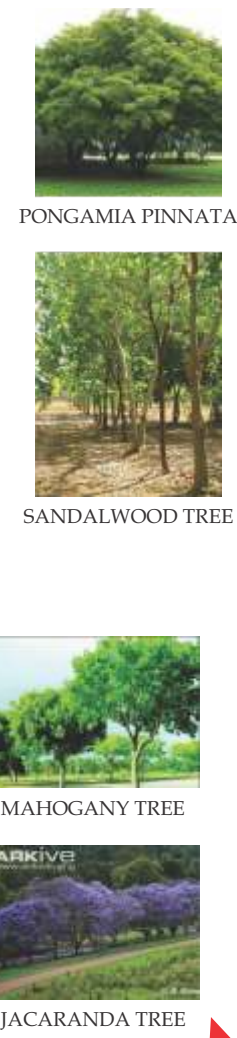

Stoned entrance driveway.
250 feet of separate stoned driveway and
pathway at the entrance for smooth vehicular
and pedestrian movement.

Top notch expertise in the botanical zone has enabled us to create an inspiring environment for healthy living. We have planted exotic trees in a planned pattern, which is a refreshing sight. Each road has the same trees giving it an aesthetic look. These trees also augment the quality of air and the oxygen levels. Also, the benefits of making the layout extremely eco-friendly are aplenty.
